Dear Ann-Marie Eckersall,

Many thanks for letting us know. We will contact our local police.

Could you please return our documents/cheque? That would be most helpful.

Best wishes

Adrian

Good morning

Thank you for your recent application for an explosives licence. I have checked the application with one of our explosive inspectors and he has asked me to advise you that you need to apply to your local police authority for an explosives certificate and a police storage licence. The Health and Safety Executive only licence sites which will store/manufacture over 2000kg of explosives. Can you please let me know if you want your documents/cheque back or do you wish to me to shred them for you.

Regards
